

## THE BEST OF THE BEST ROUND EXAM CONDITIONS & REGULATIONS

1. The exams will take place at the specified times. There are no other exam dates or times available.
2. You must have a strong and stable internet connection. There will be no make-up exams or exam time changes due to potential technical issues.
3. You must connect to the student panel 15 minutes before the exam starts to check your Camera, Zoom connection and Zoom Display ID.
4. The display name must only contain the participant's STEM ID.
5. Even if the exam is taken as a group in any school or room, each student must have 2 separate cameras. Unfortunately, participation with a classroom camera or a single individual camera is not permitted.
6. The exam language is English only.
7. The exam will last 60 minutes.
8. There are 30 questions in the exam.
9. For each incorrect answer, 1 point is deducted.
10. Only the first 3 students will receive medals and awards.
11. If the scores are equal, the participant who finishes first will have the advantage.

**\* Exam results of participants who do not have a Zoom connection with 2 cameras or whose display name does not include STEM ID will be canceled.**

### Please follow the instructions for Zoom connection and Camera Position.

1. First, log in to the student panel via the secondary (A) device and connect to Zoom.
2. Adjust the camera and its position after connecting to Zoom.
3. Afterwards, re-login to the student panel and reconnect to Zoom from the main (B) device where you will take the exam.
4. Adjust the camera and its position after connecting to Zoom from this device as well.
5. Make sure that ONLY STEM ID is written as DISPLAY Name on both devices. Nicknames, other names, only name-surname and ID with name-surname are not accepted.
6. After connecting the cameras, press the exam start button and read the conditions.
7. The questions will appear on the screen once the exam starts.

\* You may use paper, a notebook and a pen; however, calculators and other technological devices are not permitted.
