3 Your final exams will be available on the exam date in your student panel under the My Exams menu.

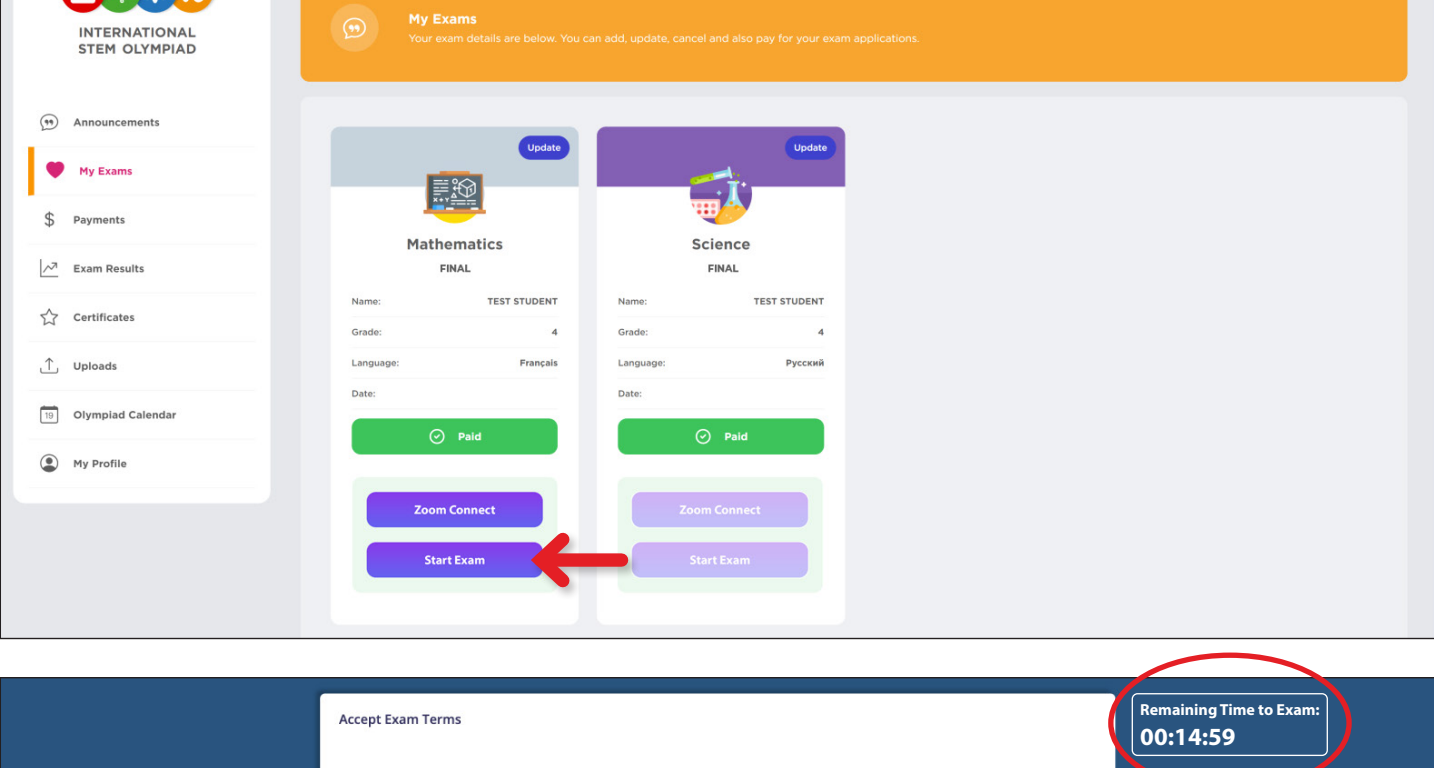

4 Zoom Connect and Start Exam buttons will be activated on exam time.

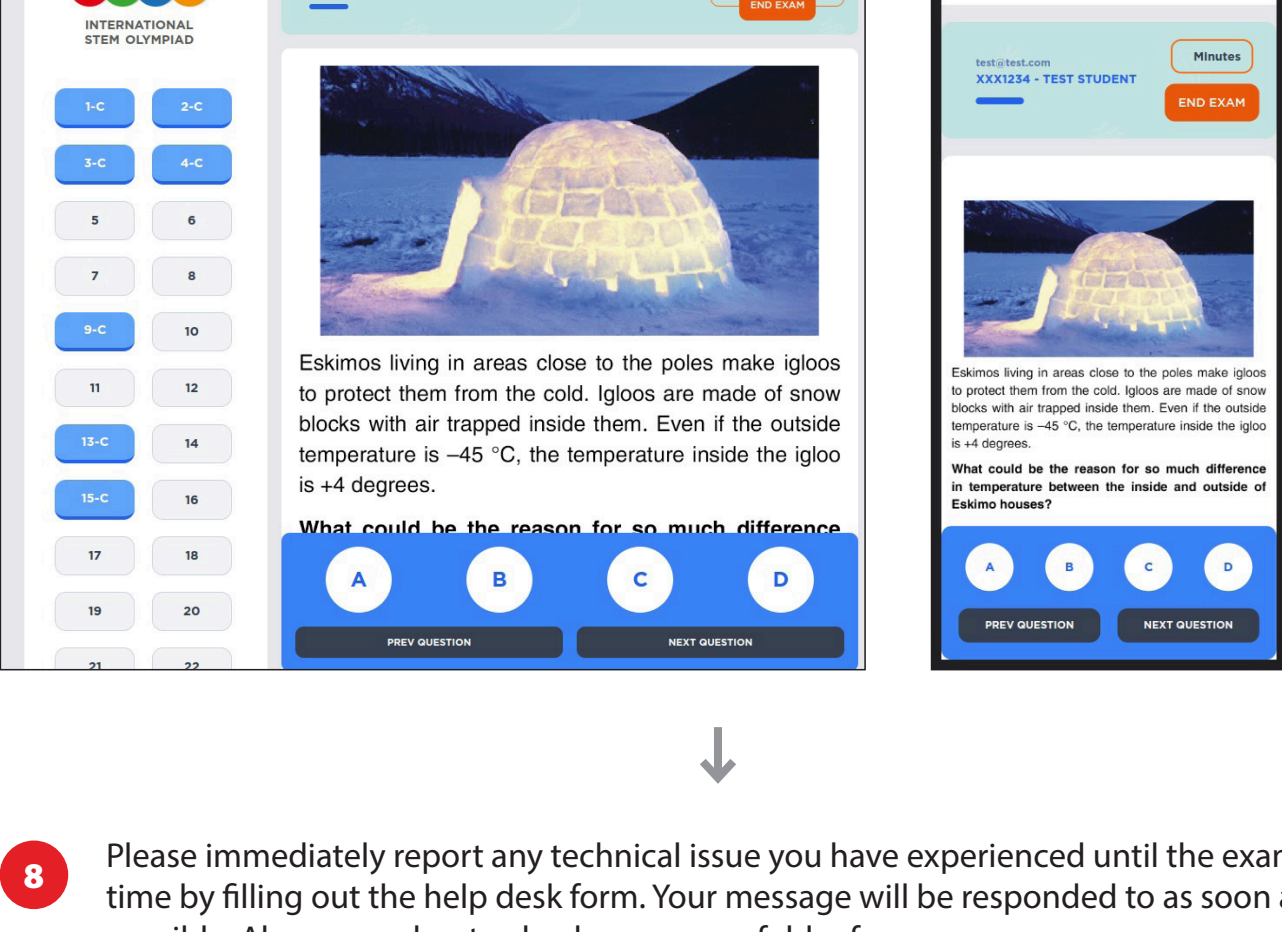

5 First, click the ZOOM CONNECT button and **check your display name.**

6 Second, click the START EXAM button and read the conditions. You will see Exam Conditions and will have 15 minutes to read them.

7 The exam will start automatically after 15 minutes of countdown.

8 Please immediately report any technical issue you have experienced until the exam start time by filling out the help desk form. Your message will be responded to as soon as possible. Also remember to check your spam folder for responses.

9 If you accidentally close the window or leave the exam platform due to a technical issue (such as a power or internet outage), you can log in again through your STEM Panel and continue where you left off. (Your selected answers will be automatically saved.)
Meanwhile time will continue to pass.

10 A warning message will appear on the screen if you open a page other than the STEM Olympiad exam portal. Violations will be recorded by the system. **Each tab error will deduct 0.5 point from the overall score.**

11 Each wrong answer will deduct 1 point from the overall score.

12 There are **additional time bonus points** in all categories. Time bonus points are given based on the exam completion time. As a result, there will be no equal points or degrees.

13 Do not try to contact us via Zoom by raising your hands or social media.
