

**INTERNATIONAL STEM OLYMPIAD
ONLINE EXAM TERMS AND CONDITIONS**

1. Exam duration is 60 minutes for 25 questions in all categories.
2. Participants will be monitored by the STEM Olympiad team via a camera program. Any violations will be recorded and reviewed after the exam.
3. Keep your camera and screen sharing active throughout the exam, as both your camera and screen will be recorded throughout the exam. Continuing the exam without an active camera may affect your score and ranking.
4. In case of camera connection issues, it is recommended to continue answering the questions. However, this may still affect your score and ranking.
5. A timer will display the remaining time.
6. In case of a tie, the student who completes the exam earlier will be given priority.
7. Questions can be navigated using the NEXT and PREVIOUS buttons.
8. Each question has four answer options (A, B, C, D). Participants must select the correct answer.
9. Answered questions will appear on the screen in sequence. Unanswered questions can be revisited via the question table.
10. Each correct answer is worth 4 points, while each incorrect answer deducts 1 point from the total score.
11. Unanswered questions do not deduct any points from your total score.
12. The use of smartphones, calculators, or any electronic devices for calculations is strictly prohibited.
13. Paper, pen, or pencil may be used for solving the questions.
- 14. Once the SUBMIT EXAM button is clicked, the exam cannot be reactivated.**
15. If the exam window is accidentally closed, participants may log in again and continue from where they left off. Marked answers remain saved, but the timer continues running even if you leave the exam window. Ensure the camera is reactivated.
16. Opening a page outside the STEM Olympiad exam portal triggers a warning. Each violation deducts 0.5 points.
17. Students must answer the questions without assistance. It is prohibited to seek assistance from any person, printed material, or electronic devices.
18. The exam will automatically end after 60 minutes, saving all answers. Clicking SUBMIT EXAM is not required.
19. For assistance, fill out the Help Desk Form on the STEM Olympiad homepage.
20. After completing the exam, close the camera application to conclude the session.
21. Copying, photographing, reproducing, sharing or archiving questions from the exam screen is strictly prohibited. Exams of violators will be cancelled.
22. In case of technical issues, activity logs on STEM Olympiad servers will be reviewed. Evaluation considers compliance, exam start status, number of questions viewed, remaining time, and other recorded actions.
23. Exam results will be announced within 10 days, after which participants can download their report and certificate.
24. STEM Olympiad reserves all rights to publish and use Olympiad questions. Questions may not be broadcast, copied, or used in any other form.

We wish all participants the best of luck!
