Now connect you screen recorder. Select an external device Continue without recording After arranging your camera, first click the "Entire Screen" option at the top. Next, click the mini screen that appears on the left. Finally, click the "Share" button below. Choose what to share with my.stemolympiad.org Chrome Tab Please keep your camera and screen sharing active at all times during the exam, as both will be recorded throughout. Continuing the exam without an active camera and screen sharing may affect your score and ranking. Please review the important exam guidelines that will be shared before the start of the exam by clicking the "**Next**" button. **Please review** the guideline. We'll now show the exam features step by step. Read this information carefully before starting the exam to make sure your device, browser, internet connection, camera, and screen sharing meet the technical requirements and are properly set up for a smooth and uninterrupted exam experience. ☑ Before You Start the Exam ■ Before You Start the Exam Our exam system is compatible with a wide range of devices and software, and technical issues are generally rare. However, updates to devices or software, changes in your system, or discontinued manufacturer support may cause difficulties during the exam. Please note that our system cannot update or modify your devices or software, so ensuring compatibility is the responsibility of each To help you prepare, we are sharing the following technical requirements and While using Android or iOS phones and tablets is allowed, we strongly recommend using a PC or laptop for the best experience. Please keep your camera and screen sharing active at all times during the Continuing the exam without an active camera may affect your score and Read the Online Exam Terms and Conditions, then click "Accept and Start Exam" button to begin the exam. **6** Δ ₩ ₩ π INTERNATIONAL STEM OLYMPIAD Exam will start in a while INTERNATIONAL STEM OLYMPIAD Exam duration is 60 minutes for 25 questions in all categories Participants will be monitored by the STEM Olympiad team via a camera program. Any violations will be recorded and reviewed after the exam. Keep your camera and screen sharing active throughout the exam, as both your camera and screen will be recorded throughout the exam. Continuing the exam without an active camera may affect your score and ranking. In case of camera connection issues, it is recommended to continue answering the questions. However, this may still affect your score and ranking. Students are required to answer 25 questions within 60 minutes during the exam. Answers to the questions can be marked by selecting one of the letters A, B, C, D at the bottom of the screen. To navigate between questions, click the "Next" or "Prev" buttons. The remaining time until the end of the exam is shown at the top of the exam platform. **6** Δ ∰ ‡ π Exam Category: Mathematics Exam Language : English SAMPLE STUDENT - DEU1014 Question 1 of 25 1/25 Answered $(0.125)^{x+1} = 16^x \cdot (0.25)^{12}$ Given the equation above, what is the value of x? A) 2 B) 3 C) 4 D) 5 To delete your selected answer for the current question, click the red X icon at the bottom right of the exam platform. Exam Language : English
SAMPLE STUDENT - DEU1014 Question 1 of 25 1/25 Answered $(0.125)^{x+1} = 16^x \cdot (0.25)^{12}$ Given the equation above, what is the value of x? A) 2 B) 3 C) 4 D) 5 If a question cannot be read or does not fit the exam screen, click on the question to zoom in. To close the enlarged question, click the **X** icon in the top-right corner of the screen. The numbers in the circles display the sum of the numbers in the squares connected to the circles. Accordingly, what is the value of x? A) 14 B) 15 C) 16 D) 17 You can always see the total number of answered questions and easily access any question by clicking the number located between the **Next** and **Prev** buttons, without going through them one by one. Questions highlighted in green represent answered questions, while white ones indicate unanswered questions. 44:13 Select Question 17 0 8 Question 1 of 25 Answered For Review Remaining $(0.125)^{x+1} = 16^x \cdot (0.25)^{12}$ Given the equation above, what is the value of x? A) 2 B) 3 C) 4 D) 5 D Go to First Unanswered Go to Review < Prev 1 ○ Next > ДХ If you are unsure about the answer to any question or would like to return to it later during the exam, click the flag icon in the bottom right corner of that question. To revisit a flagged question, click the question number located between the **Next** and **Prev** buttons. In the popup window that appears, flagged questions are marked with a star icon in the top right corner. Click the number of any flagged question to review your marked answers before the exam ends. **Select Question** 36:06 INTERNATIONAL STEM OLYMPIAD 9 Question 1 of 25 16/25 Answered For Review Remaining $(0.125)^{x+1} = 16^x \cdot (0.25)^{12}$ Given the equation above, what is the value of x? A) 2 B) 3 C) 4 D) 5 С Go to First Unanswered Go to Review When you click the "Submit Exam" button, a pop-up will appear showing the total number of answered questions to help prevent accidentally ending the exam. After clicking the Submit button in this window, the system will save your answers and end the exam. Once you confirm the submission by clicking the "Submit Exam" button, it is not possible to restart or continue the exam. **Note:** When the 60-minute exam time expires, the system will automatically save all answers and submit the exam, even if the student has not submitted it manually. **Submit Exam?** Are you sure you want to submit your exam? You have answered 16 out of 25 questions. Cancel **TECHNICAL ISSUES DURING THE EXAM** If you encounter any technical issues during the exam, please follow the steps below in order. These issues are usually caused by temporary internet interruptions on your device or cookies stored in your device's cache. 1. Ensure that your internet connection is active. 2. Refresh your exam screen and continue the exam. If the issue is not resolved, proceed to the next step. When you exit the exam screen, the answered and saved questions will not be deleted. When you reconnect to the exam, your saved answers will reappear on the screen. 3. Log out of the exam screen (Do not click the "SUBMIT EXAM" button!). Re-enter the exam by selecting "START Exam" from the STEM Student panel. If the issue persists, move to the next step. 4. Fill out the "Help Desk" form on the STEM Olympiad homepage (<u>www.stemolympiad.org</u>) immediately to report the issue to the STEM Team. The STEM Team will respond to you as soon as possible. Please check your inbox regularly. 🙎 Help Desk INTERNATIONAL STEM OLYMPIAD During the exam, if you open a new tab or reconnect to the exam in some way, you may encounter a warning message like the one below. In this case, you can click the "Continue" **Here**" button to resume the exam from where you left off. **Continue Here** Please read the STEM Olympiad Exam Conditions.
